PIE

Welcome to **Pie Five Pizza Co.**, the first interactive pizza experience. Our concept stands at the intersection of handcrafted pizzas made from the freshest ingredients and the latest advancements in high-speed baking techniques. We have developed a unique process that encourages consumer interactivity in the fine art of pizza making. With over 41 elements to choose from, between the crusts, sauces, cheeses and toppings, each and every pizza comes out unique to the specific taste of the guest. Our Pie-techs hand assemble each pie based on the input of our guests and the finished product is ready in less than five minutes.

Efficient and Flexible Design
